Attached is the revised "issues" paper on Awards. Most of your suggestions have been incorporated, along with those of D/PPPM. To meet deadlines for the 18 June Executive Committee meeting, we are concurrently giving copies to O/DDCI for distribution to Executive Committee members. Although this precludes further editing, we would like to focus on any points which need clarification at a Working Group meeting on Wednesday, 10 June at 0900 in the D/PPPM Conference Room (5E62).

Also attached is the OPM memo advising of the probable \$60,660 total compensation cap.

If time permits, we will discuss our efforts to implement SODP.
